OBJECT : DENOUNCMENT OF OCCUPATION, DOMINATION AND COLONIZATION OF THE SARDINIAN NATION PERPETRATED BY THE FOREIGN ITALIAN STATE. CLAIMS OF SOVEREIGNTY OF THE SARDINIAN PEOPLE

With this document the **MOVIMENTU DE LIBERATZIONI NATZIONALI SARDU** (MLNS) claims the sovereignty of the Sardinian people, claims and demands the liberation of the Sardinian Nation from the illegal and unlawful occupation of the foreign Italian State.

The Sardinian Nation, historically independent from the IX to the XV century, has been prevented from exercise its lawful wright of sovereignty in its own territory caused by the occupation of the Italian state. The same state we consider foreign, colonialist and racist.

Historically the Sardinian Nation since 1409 has been submitted under the "Corona d'Aragona" occupation, in 1718 from Austria and from 1720 by the Savoy. From 1861 to this day there was "de jure e de facto" the illegitimate, illicit and violent repression, even military occupation by the foreign Italian state.
